Conference WOS 2024

Lucie Kocůrková

WOS International Scientific Committee Member

18th ENETOSH Steering Committee Meeting

side event to the EUROPEAN FORUM ZAGREB 2024 - Conference 'Be fit for the digital age!'

4 June 2024, 10:30 – 12:30 (CEST)

Working on Safety

WOS.net

- WOS is an international network of decision-makers, researchers and practitioners involved in the prevention of accidents and injuries at work.
- The network aims to bring prevention experts together from all over the world in order to facilitate a high-level exchange of experience, new findings and best practices between different countries and sectors.

The WOS conference has been organised since 2002

BUILDING A RESILIENT FUTURE

Towards sustainable safety in a rapidly changing world

22 – 25 September 2024, Dresden, Germany

12th International Conference
Working on Safety

A person wearing a VR headset is shown in profile, interacting with a digital environment. The background is a vibrant, blue and orange bokeh of light particles. A blue circular callout on the left contains the text 'Topic 1'. A red circular callout on the right contains text about the abstract submission deadline.

Topic 1

Call for Abstracts closed.
Authors will
be informed of outcome by
May 10, 2024

<https://wos2024.org/home.html>

Topic 1
Digitalisation
and
connectivity

Topic 2
Changes
in work
organization

Topic 3
Sustainable
development
and
occupational
safety
